

Waltham Chase Aeromodellers

INDOOR R/C FPV MEETING

Following last season's successful indoor FPV events, Waltham Chase Aeromodellers are pleased to announce a series of ten similar events in the Main Hall at **Wickham Community Centre, Mill Lane, Wickham, Hants PO17 5AL** on the following dates:

Tuesday, 12th. September 2017
Tuesday, 10th. October 2017
Tuesday, 14th. November 2017
Tuesday, 12th. December 2017
Tuesday, 9th. January 2018
Tuesday, 13th. February 2018
Tuesday, 13th. March 2018
Tuesday, 10th. April 2018
Tuesday, 8th. May 2018
Tuesday, 12th. June 2018

All meetings will run from 7.00 p.m. to 9.30 p.m. This is the venue at which we hold our popular indoor R/C Small Models meetings. Admission to the meetings will be £4 for fliers and £1 for spectators, whilst accompanied children will be admitted free. Junior fliers will be charged as adult spectators. Fliers will be required to show proof of insurance.

Models to be flown at these meetings are to be limited to a maximum weight of 95 grammes (3.5 ounces), in flight trim, including battery (not to exceed a 2-cell Li-Po pack). Helicopters are to be limited to a rotor diameter of 6" (152mm). Multicopters are to have a motor to motor diameter not exceeding 6" (152mm).

All models should be 25mW 5.8GHz or Wi-Fi FPV equipped. A frequency control system will be employed whereby each pilot will be allocated a video operating band, to guarantee frequency separation a maximum of 4 pilots will be permitted to transmit at any one time. Each model will need to be checked and a transmitter tag allocated before being cleared to fly.

Depending on the number of FPV models ready to fly there may be an opportunity to fly non-FPV equipped models.

Flying at these events will take place generally in accordance with our procedures developed at the regular indoor R/C events, details of which are available on our website.

Waltham Chase Aeromodellers look forward to welcoming all R/C indoor FPV fliers to these events.

For further details please contact:
